CAR-N-TRUCK WASH CONCENTRATED

VW64, VW5

Concentrated Car & Truck Wash produces mild and effective suds to gently clean away tough highway grime without harming your car, van, RV, truck or boat finish. This unique formula is designed to safely clean without stripping wax. Formulated to work well in both hard or soft water. Completely biodegradable with no phosphates or harmful solvents.

APPLICATIONS:

- Clear Coat Safe
- Deep Cleans Dirt & Grime
- Safe For All Finishes
- Streak Free Shine
- Won't Strip Away Wax
- Biodegradable

DIRECTIONS: 1. Use on a cool car or truck, preferably in the shade. 2. Pre-rinse car with large amounts of cool water to remove loose dirt and cool all surfaces. 3. Pour 1 to 4 ounces of wash concentrate into a bucket and mix with heavy jet of water. 4. Apply liberally with sponge, mitt, or soft towel to one section of the car at a time, working from top to bottom. Rinse each section promptly with a steady stream of cold water. Repeat if desired. 5. When washing is completed, rinse entire car again. After most of the water has drained off, dry using a soft cotton terrycloth towel or chamois to remove remaining water beads.

DANGER: Contains a blend of anionic and nonionic surfactants. Eye Irritant. Avoid eye contact. Do not swallow.

FIRST AID: For eye contact flush eyes for 15 minutes while lifting eyelids. If irritation develops, get prompt medical attention. If swallowed, do not induce vomiting. Call Poison Control Center, Physician, or Hospital Emergency Room Immediately.

KEEP AWAY FROM CHILDREN AND ANIMALS
